

## CDA Foundation's Geriatric Oral Health Access Pilot Program San Mateo, California

### Program Overview

---

The California Dental Association Foundation's Geriatric Oral Health Access pilot program in San Mateo, California ended in 2009. Services included screenings, fluoride treatments, sealants, fillings, extractions, scaling, crowns, bridges, dentures, oral surgery, root canals, referrals, and patient and caregiver education. The program treated adults in long-term care facilities and included registered dental hygienists working with dentists. The program relied on private grants and individual donations for sustainability.
