

Community-Based Oral Health Program for Senior Citizens Clinton County, Indiana

Program Overview

The Community-Based Oral Health Program for Senior Citizens is based in Clinton County, Indiana. The program aims to improve access to care among older adults through education and support. The program uses several outlets to promote education including local media, events, and individual screenings. Examples of support include booking dental appointments and offering transportation services. The program focuses on residents who are older adults (ages 55 and older), and who have not been to the dentist in a year.
