

DDD Foundation, Inc.
Atlanta, Georgia

Program Overview

Dentistry for the Developmentally Disabled, Inc. (DDD), established in 1999, is a nonprofit organization that only treats individuals with developmental disabilities. DDD, located in Atlanta, Georgia, is the only clinic of its kind across the state. Services include cleanings, sealants, x-rays, fillings, extractions, dentures, and root canals. The dental clinic accepts Medicaid and most forms of commercial dental insurance.
