

D-DENT

Oklahoma City, Oklahoma

Program Overview

Dentist for the Disabled and Elderly in Need of Treatment, Inc. (D-DENT), established in 1986, is a nonprofit organization located in Oklahoma City, Oklahoma. D-DENT has won the Blue Cross Blue Shield Champions of Health Award three times and received the ONE (Oklahoma Nonprofit Excellence) award in 2015. Services, including screenings and patient and caregiver education, are provided free of charge in a variety of settings such as senior centers and group homes. The organization also connects individuals to dentists for the provision of comprehensive services. D-DENT works with specific populations including low-income older adults (60 years and older) without insurance, Veterans, and individuals with developmental disabilities or special needs.
