

Dentistry from the Heart

Multiple locations throughout globe

Program Overview

Dentistry from the Heart, based in Florida, works to orchestrate global free dental care. The program depends on volunteer dentists, hygienists, and other volunteers in order to carry out its free dental events. The program estimates that each year, thousands of individuals receive three services: extractions, cleanings, and fillings. The program only accepts adults older than 18 and hosts events in all 50 states.
