

Elderly Oral Health Care Consulting, Inc. Westland, Michigan

Program Overview

Elderly Oral Health Care Consulting, Inc. is located in Westland, Michigan. Services include screenings, cleanings, fluoride treatments, sealants, referrals, and education to patients, caregivers, and providers. The organization primarily offers oral health education to nursing home and assisted living facility staff members. This training covers topics such as common oral health problems that older adults experience, as well as tips and skills for providing daily care. Additionally, the organization operates a mobile service to provide basic services in residential settings for Medicaid beneficiaries. It targets low-income older adults, individuals with disabilities, and children.
