

HIV Alliance Dental Case Management Multiple locations throughout Oregon

Program Overview

The HIV Alliance, established in 1985, offers assistance with dental services provided to HIV positive clients through the partnership between HIV Alliance and Lane Community College Dental Clinic in Eugene, Oregon with satellite clinics in Medford, Oregon. Services include emergency care, cleanings, fillings, extractions, dentures, bridges, crowns, root canals, care coordination, and referrals. The HIV Alliance targets low-income individuals living with HIV who are underinsured or who lack insurance. If eligible, individuals can receive travel assistance and benefit from dental case management services to ensure proper appointment scheduling and treatment plans.
