

I-Smile Silver Pilot Project

Multiple locations throughout Iowa

Program Overview

The I-Smile Silver project, established in 2014, has two pilot programs in Lee and Scott counties, Iowa. One program coordinator per county works to build and improve local systems. Services include referrals and patient and caregiver education. The program aims to improve oral health among older adults (60 years and older), and provides support and education for nursing homes, the Medicaid Elderly Waiver program, and caregivers.
