

Online Oral Health Courses for Home Care Aides

Online throughout Washington

Program Overview

The Online Oral Health Courses for Home Care Aides, established in 2012, is based in the state of Washington. The Washington Dental Service Foundation and Service Employees International Union's Training Partnership collaborated to create this educational opportunity. It consists of three one-hour online courses on basic oral health, caring for dentures, and gaining client cooperation for oral care aim in order to improve oral health among older adults. Since the program's inception, the courses have been downloaded nearly 60,000 times for completion by home care aides. All courses are approved by the State of Washington and can be used to fulfill Home Care Aides annual 12-hours of mandatory continuing education.
