

Oral Health for Caregivers

Multiple locations throughout Washington

Program Overview

Oral Health for Caregivers is a training curriculum developed by the Washington Dental Service Foundation. It is targeted at those who care for older adults and provides oral health information. The program introduces oral health prevention in an easy-to-understand format that can be used to educate caregivers. The curriculum provides a high-quality Continuing Education learning opportunity. The training is free in Washington for Home Care Aides, Adult Family Home providers, and caregivers for adults with developmental disabilities.
