

## Portable Dental Services Detroit, Michigan

### Program Overview

Portable Dental Services operates in several counties across Michigan and provides services in a permanent dental office as well as private residences, long-term care facilities, group homes, and rehabilitation centers. Services include screenings, cleanings, fluoride treatments, sealants, x-rays, fillings, extractions, scaling, crowns, bridges, dentures, root canals, oral surgery, referrals, and patient and caregiver education. This program provides dental services to homebound individuals with health problems such as dementia, Muscular Dystrophy, lymphedema, Cerebral Palsy, agoraphobia, anxiety, and brain trauma.
