

Saban Community Clinic Los Angeles, California

Program Overview

Saban Community Clinic, established in 1967, is located in Los Angeles, California. Services include screenings, cleanings, x-rays, fillings, extractions, care coordination, and client education. The clinic also collaborates with the School of Dentistry at University of California, Los Angeles to provide dentures for those in need. The clinic treats people of all ages and is part of a larger medical home that provides comprehensive health care to underserved populations through medical services, behavioral health services, and social services.
