

San Ysidro Health Center San Diego and San Ysidro, California

Program Overview

San Ysidro Health Center offers dental services in San Diego and San Ysidro, California. Services include screenings, cleanings, fluoride treatments, sealants, x-rays, fillings, crowns, extractions, dentures, root canals, referrals, and patient education. The center treats children and adults at its two locations, and conducts outreach at preschools, elementary schools, Women, Infants, and Children (WIC) nutrition centers, and public housing sites. The center also provides comprehensive dental services for children and adults with special medical and/or behavioral health needs.
