

Smiles on Wheels Jackson, Michigan

Program Overview

Smiles on Wheels, established in 2007, is a nonprofit organization in Michigan that focuses on providing preventive oral health care services in non-traditional environments. This program provides mobile dental services in a variety of settings such as at schools, health fairs, community events, Head Start centers, WIC offices, and daycare centers. Services offered include screenings, cleanings, sealants, fluoride treatments, x-rays, referrals, and oral health education. Further, free dental sealants are provided to children in first, second, sixth, and seventh grades to combat tooth decay. The program targets children and adults who lack a dental home.
