

## St. Francis Mobile Dental Service Baltimore, Maryland

### Program Overview

The St. Francis Mobile Dental Service, established in 1972, provides portable services in Baltimore, Maryland. The program brings its dental equipment to individuals' homes and provides a range of services that include screenings, cleanings, x-rays, fillings, extractions, crowns, bridges, dentures, root canals, oral surgery, and orthodontics. The program treats homebound individuals of all ages and targets older adults with developmental or cognitive disabilities who live within 20 miles of the Baltimore city limits. Dental workers at this clinic are trained in treating the unique dental problems of older adults and individuals with disabilities.
