

University of Texas Health Science Center San Antonio (UTHSCSA) Dental School San Antonio, Texas

Program Overview

The University of Texas Health Science Center San Antonio (UTHSCSA) Dental School provides dental care at a reduced price. Supervised dental students provide the following services: screenings, fillings, extractions, crowns, bridges, dentures, and referrals. The clinic does not have eligibility requirements for new clients; however, dental needs must match the services offered at the clinic in order to receive care. The services offered are determined by the types of skills dental students are learning at the time.
